First Day of Term 3

Monday, 17 July

Dear Parents and Guardians,

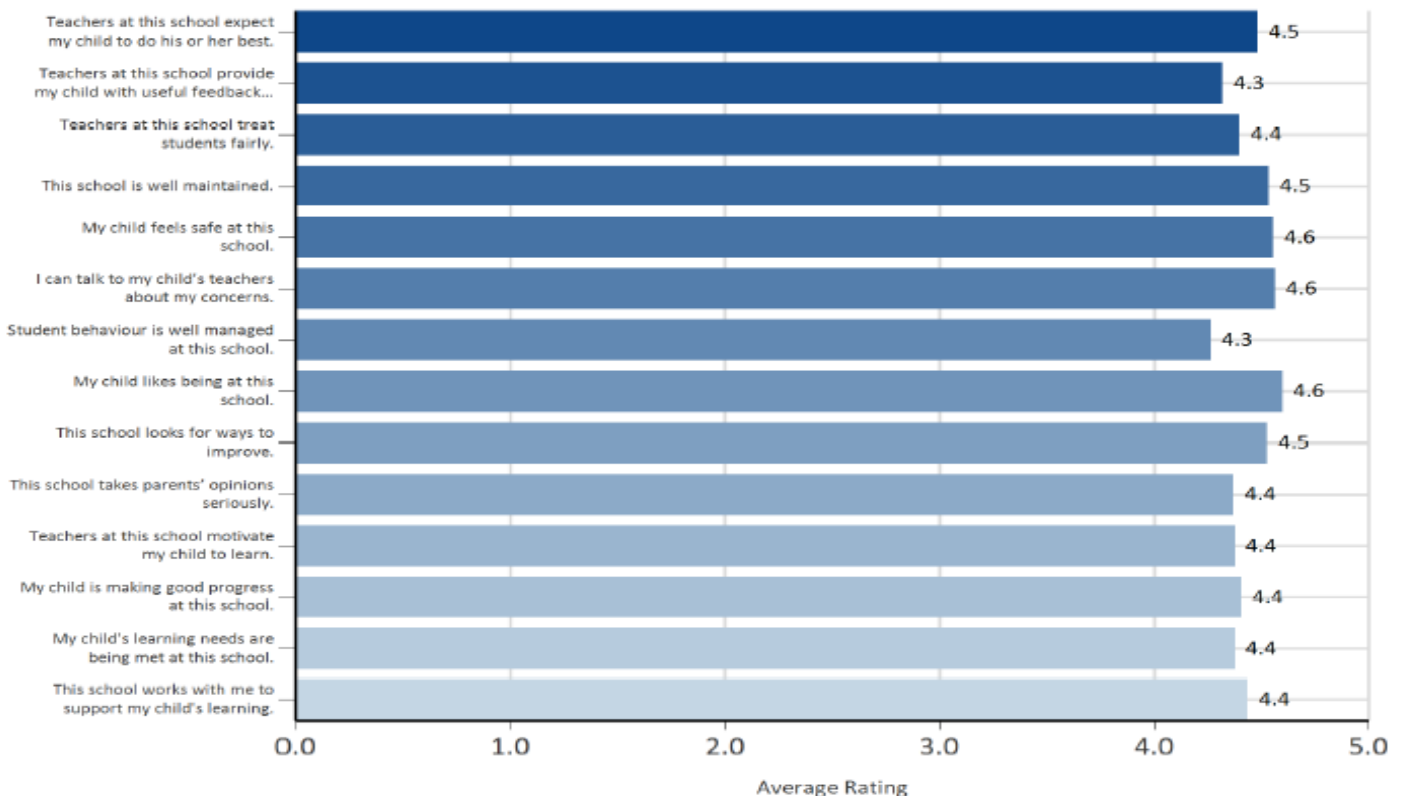

Thanks to parents who completed the school survey, below are the results of the parent survey. If you would like to learn more about any of the school operations, priorities or provide ideas and suggestions please let us know.

Reports will be sent home Week 10. If you would like feedback on your child's report please make an appointment with the teacher for early Term 3.

Board Vacancy

There is currently a vacancy on the school board. The board meets at least once a term. We would especially like to see our Aboriginal community better represented on the board but this is not essential. If you would like to be on the board please let the office know. If there is more than one nominee we have to conduct a secret ballot.

In Week 10 Monday 26—Thursday 29 June we will be celebrating Aboriginal and Torres Strait Islander history, culture, language and achievements. It is an opportunity to recognise the contributions that Indigenous Australians make to our country and our society. (Friday 30 is a pupil free day with next term starting on the Monday 17 July).

Art or Aboriginal Celebration Wall in the Hall—Family Project

To have our Hall looking great for NAIDOC week we would like to have an art competition where students together with family members help paint, create a piece of art work, write a poem or story or research a famous Indigenous Australian for us to put on the wall in the hall in time for our schools celebrations for NAIDOC in week 10. Best entries for each year level will receive a \$5 canteen voucher. Please send your work in by Friday 23 June.

DISCO

Disco

There will be a disco held on Friday, 23 June. Posters will be displayed around the school shortly with the theme being “Come Dressed as Something From Your Initial”. We had an amazing turnout at our first disco for 2017 with record numbers at both junior and senior discos. Thank you to all the families and staff who attended and to our fantastic helpers!

Foodbank School Food Appeal

Winter storms and cold nights are a harsh reminder that many people in our community are in desperate need of help. Demand for food remains high with over 53,000 Western Australians seeking help each month. Winter is always a time of extra demand, so your help collecting canned foods will make a big difference to many lives.

The School Food Appeal runs from Monday, 12 June to Friday, 16 June and we ask if all students can bring a tin/can of food to school and place in the bins located at the office, hall and library. All food will be donated to Foodbank. **We have very little to date and would love to give them some full bins on Friday, your support is appreciated!**
