The canteen is a service to staff and students and cannot offer credit. The Waggrakine Primary School Canteen is wholly run by the P&C as a service to the school community. The canteen is self-funding and non-profit. That is it must cover its own costs, but does not make money from its operations.

All foods sold at the canteen comply with government regulations under the traffic light system.

Green (healthy) foods are offered everyday and make up most of the menu.

Amber (treat) foods can only be offered a maximum of twice a week.

Red (foods with little nutritional value) food are not offered.

VOLUNTEER HELPERS

Your canteen runs with only one staff member per day. Other roles need to be filled by volunteers. The more volunteers we have, the less time is required from each of us.

Volunteering in the canteen is not difficult. If you can make a sandwich, you are well qualified. If you prefer not to serve at the counter, you don't have to. We have a roster at the canteen, so please drop by and add your name if you have an hour to spare. Your help is much appreciated.

SUPPORT FROM HOME

We ask that parents support us in our efforts to encourage healthy food choices by providing healthy lunches from home.

UNIFORMS

In addition to providing nutritious food at affordable prices, we stock school uniforms which are available all year round. Please note the canteen is open from 8.30am—9am each morning for students to order lunches and this is the priority at this time. Please be patient and the staff will help you when they can. Alternatively uniforms can be purchased through our online store and picked up the next day.
