

18 March 2019

Dear Parents/Carers,

On **Thursday 28<sup>th</sup> March 2019**, Fishability will be hosting a modified fishing experience for our students with disabilities at the **Batavia Museum Boardwalk** between **10am and 12 noon**. This is an exciting opportunity for our students to experience the joy of fishing first hand whilst also interacting with other students and Special Needs Education Assistants from our school. Students will be transported to and from the boardwalk by bus and will be accompanied by their Special Needs Education Assistant and a supervising teacher. Students may also be transported in a staff member's car. All staff members have a current WA drivers' licence, their vehicles are in good working order and are registered by the Department of Transport WA. All costs for this excursion will be covered by the school so there will be no cost to parents or guardians. All students will be required to wear full school uniform which consists of the school polo shirt, blue pants/shorts, broad brimmed hat and enclosed shoes.

Students will be photographed as part of this excursion and photos may be used in the school blog and/or newsletter, by Fishability or the local media. If you would not like your child's photo published as part of this excursion, please indicate on the permission slip below.

If you would like your child to attend this excursion, please sign and return the permission slip below **by Wednesday 27<sup>th</sup> March**. If you have any questions regarding the excursion or require further information, please ring the school on 99681800.

Yours sincerely

Shannan Robinson  
Learning Support Coordinator

NOTE: Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and control and supervise their behaviour and activities. Parents/guardians should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents are required to inform the organisers well before the scheduled excursion departure of any change to their child's health and fitness so that appropriate supervision may be arranged. Where it is considered necessary, school staff will arrange medical assessment and treatment for students.

I have read and understood the information regarding the Fishability excursion on the 28<sup>th</sup> March 2019 and give my consent for my son/daughter \_\_\_\_\_ to attend.

I agree/do not agree to my child being photographed as part of this excursion and understand that these photos may be used in the school blog or newsletter, local media or by the Fishability organisation.
